Be a word work STAR!

Choose one activity for homework each night. Keep a word work homework spiral for each day's work. Practice your words, and you'll be a STAR!

S Day 1	T Day 2	A Day 3	R Day 4
Regular Sort Cut and sort your words according to the rules you learned at school. Store the words in an envelope.	Word Hunt Glue your sort in your spiral. Find words from books and magazines that fit your sort and add them to your spiral.	Super Sentences Write as many sentences as you can. Use as many words from your sort AND the word wall as you can.	Crossword Surprise! Write your words in a crossword shape. The words have to read left to right and up to down and cannot be directly next to other words!
Alphabetical Order Cut and sort your words in alphabetical order within the columns. Then put all the words in ABC order! Store the words in an envelope.	Speed Sort Sort your words as quickly as you can by reading the word and placing it in the correct column. Glue the words after the 3rd speed sort.	Synonyms & Antonyms Write each word, then list a synonym and antonym for each one.	Scrabble Spelling Spell your words with Scrabble tiles then add up the value of each word.
Colorful Sort Cut and sort your words according to the rules. Trace the vowels and consonants in different colors. Store the words in an envelope.	Open Sort Sort your words a different way. See if someone can guess your categories, then glue your words the regular way.	Be a Writer Use at least 10 words to write a letter to a friend or a fiction story.	Blind Writing Sort Have a parent say your words aloud while you write the words in the correct column. Check for accuracy as you read each column.
